Policy Name: ACCEPTABLE USE POLICY FOR LIBRARY SERVICES COMPUTERS & NETWORK	
Responsible Group: Library Planning	Approver: Dean of Library and Learning
Last Updated: 04/13/2022	Reviewed on 04/13/2022

I. Priority use of Library computers and databases is for research activities of Minnesota State University, Mankato students, faculty, and staff. A small number of computers are available for use by the general public to pursue academic matters.

II. The Library is a public building. Library patrons should be aware that websites may contain offensive material. Library patrons are expected to show consideration for others as to what is appropriate for display in a public area.

III. Reproductions (e.g., print, digital, audio, etc.) made by users of Library Services' electronic resources are governed by the Fair Use Section (Title 17, Section 107) of the U.S. Copyright Law [1] as well as by vendor license agreements.

IV. Use of all computers in the Library as well as use of the Library network is subject to all applicable MSU student [2], MSU employee [2], and MinnState policies [3], for use of information technology resources.

V. Violators of this policy are subject to all applicable MSU student [2], MSU employee [2], and MinnState policies [3], sanctions and/or local, state [4], and federal laws.
